### Driver's Pledge:

- I will not drive when I feel fatigued. I realize that when I am fatigued, I process information more slowly and less accurately and this impairs my ability to react in time to avoid accidents.
- I will arrange my schedule so that several days before a Boy Scout "driving trip," I will get a good night's sleep every night to avoid the cumulative effect of not getting enough sleep.
- I will make trip preparations far enough in advance so that last-minute preparations don't interfere with my rest.
- I will make travel plans that take into account my personal biological clock and only drive during the part of the day when I know I will be alert.
- I will be smart about engaging in physical activities during Scouting outings and will make sure that I will be ready to drive alertly.
- I understand that the trip leader, designated by the Scoutmaster, is in charge of the outing. I will follow directions provided to me by the trip leader.
- I will follow all BSA Youth Protection guidelines when participating in Scouting outings, especially two-deep leadership and tobacco use policies.
- I will caravan with the Troop when transporting Scouts on Scouting outings.
- I will refrain from participating in any activity that is considered "distracted driving," including but not limited to texting while driving.
- I will properly maintain my vehicle.
- All passengers traveling in my vehicle will wear a seat belt at all times.
